And So The Journey Begins...

Mr Brogan

2008

MR. SANTAMARIA

The Class of 2008 would like to dedicate the yearbook to Mr. Santamaria. He has gone above and beyond the call of duty during his five years as our vice-principal. We can all remember a time when he gave us a break, or talked to us when we needed his advice.

Over these five years he has become more than just a vice-principal to us, he has become a friend. We appreciate everything that he has done for us and we will never forget him.

Thank you, Mr. Santamaria.

Remember When . . .

We liked school ... we don't remember either

We had a "cold day"

We had three lunches

Everyone loved S.V.S

The teachers protested

There was a grenade in the boys bathroom

We thought staying out until ten
was cool

We had 20 minute lunches

Ms. Bohan did the Soulja Boy dance

Football won their first game in two years!

Carney had short hair

Everyone was late to school because the town decided
to dig up all of Dedham streets at the same time!

The SATs were on the same
day as Homecoming

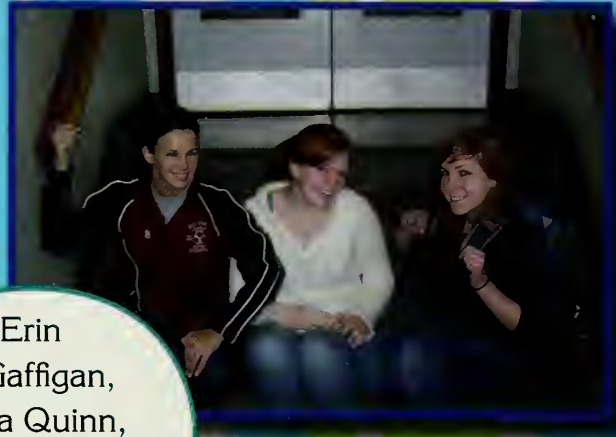

We thought drop-ins were cool!

There was a fire in the girls bathroom

You Know You Go To DHS When...

You are late for class because underclassmen refuse to get out of your way.

THERE IS ONLY ONE BATHROOM OPEN... IN THE WHOLE SCHOOL!

SENIORS HAVE NO SENIOR PRIVILEGES.

"YOU WANT SOME SALAD?"

THERE ARE SO MANY DETOURS THAT YOU CAN'T EVEN GET TO SCHOOL.

MR. WALKER STOPS YOU IN THE HALLWAY FOR 20 MINUTES.
You can't go a day without hearing gossip.

You have bathroom monitors.

Almost every person has a North Face backpack.

You want a ride to the parking lot.

Girls Sports win more than boys sports.

You've had a substitute with qator boots.

People still cringe at the sound of clicking heels.

You have a new vice principal every year.

You have a principal that can't stop smiling.

The bells were there one minute and gone the next.

Jessica Goodhue was Made into a figure skater her senior year... Being MADE was an amazing experience that I will never forget! I met so many great people and I had the chance of a life time to do some crazy things. The best part was having all my friends and family there cheering me on in the end. So, thanks to everyone who went to my competition and watched the show! Also a huge thank you to my family! It had its ups and downs but I'm glad I was MADE; becoming a figure skater was an awesome experience!

Another year is in the books. Our 2-9 record wasn't the best but we really came together as a team and fought for every yard. We also had our fair share of good times. Who could forget P-Mo's curfew issues, playing at Alumni, locker room jam sessions, Magic 106.7, pasta parties at DCD, Billy G and Ghizzy's wrestling match, fullback.....Awesome!, A-squared's miracle at Framingham, our adventures on PAT, Pazookii ! Sweeney and Tannetta being future roommates, and of course anger management.

We thank our parents, our coaches, White-o, the custodians, and especially our favorite A.D. for thier continued work and support. A special thanks to the cheerleaders for always being there and cheering us on. To all the young guys, keep working hard and getting after it.....BILL!!!!!!!

Dear girls,

Thank you all for a memorable season.

We had a lot of struggles this fall due to last minute injuries (I gotchu Sheda B, Erin, and Brinn!) We'll never forget the sleep overs, rushes to get ready before a game, tears at practices, and jammin' on the bus. We love you girls and hope to see everyone excel in the winter season.

Hey Girls,
We had another amazing season. It's so hard to imagine that we won't be playing field hockey with you girls anymore. From the pasta parties to dressing up, and TPing...kinda, our season has become unforgettable. Remember when Meaghan Dwan slept in? And who can forget Dina a.k.a. Mom? Defense ballin' when the forwards scored. And of course "the goaltenders stoppin' everything they see." Hey Kelli, we'll tell you about the rabbits. Seniors, good luck with everything. And for those of you who will remain on the team, good luck. Field hockey wouldn't have been half as memorable if it weren't for all of you. You better make us proud! Yah all sick!

Dear Dark Side (aka The Team),

Clearly this has been our most successful season... Only our team would start a race with 5 runners and end up with 4 cheerleaders (Larz Anderson). We can honestly say that this season has been the best, never mind the funniest; from the freshman telling sweet stories to all the "secrets" revealed at the XC Banga! Erin's Kanye West impersonations, Hal belting "craaaaad" until the beastly hill of Houghton's Pond shook! Which car will Mr. Walker be lurking by in today? Oh how we'll miss our cranky team when asked to run a mere Walnut. Hopefully next year, Whito will upgrade from "Hey Ladies" to "Heeyyyy STACII!" Good luck next year ladies and keep the XC tradition alive!

It was a great season considering we had no seniors. We were able to pull off three wins by less than 6 points, two of them going against our rival, Norwood, and the other against Framingham. Late night trips to McGolf aiming for geese helped out Arki's accuracy. Hickory Stick's crib for pizza, and "I'm pickin' up my MA!" Sparky, enough said...

JAPANESE CULTURE CLUB

In its two years running, the Japanese Culture Club has been a success. Students in all grades come to learn about the culture Japan holds. We explore the history that made Japan what it is today, as well as its pop culture references. We study the art of Japanese animation and manga and how it has grown in America. We attend Japanese Anime conventions and other activities as a group. We also let loose and have DDR and other game competitions. The Club is opened to everyone; you can find us in Ms.Dudley's room in B205.
